2. The "Okrushen Komitet na Partiyata" and the "Gradski Narodni Suvet" (Municipal People's Council) are both located in a building situated on Stalin Boulevard (formerly Bogoridi Street).
3. The Court House is located in a building situated half way along a street (name unknown) which runs into Stalin Boulevard and after having crossed 1 May Street runs parallel to 9 September Street (formerly Ferdinand Street).
4. The "Kriminalna Militsiya" (Criminal Police) are located in a building on 1 May Street, approximately 100 meters west of the Burgas railroad station.
5. The "Dzrazhna Sigurnost" (State Security) command of Burgas is located in a building situated on the left side of a street which runs into 1 May Street, approximately 200 meters and to the north of 1 May Street.
6. The "Turgovska Kamara" (Chamber of Commerce) of Burgas is located in a building in front of the Posts, Telephone, and Telegraph building.
7. The PTT building is located approximately 100 meters southwest of the Burgas railroad station.
8. The main fire house is located in a building situated on the left side of a street which runs off 9 September Street, to the south of the public gardens of Burgas. It is equipped with three red-colored pump-trucks each with a 3-ton capacity and an unidentified number of ladders mounted on trucks.

9. The "Rabotnicheska Bolnitsa" (Workers' Hospital) is located between the railroad station and the PTT building. The "Dürzhavna Bolnitsa" (State Hospital) is located in a street which runs off Kiril i Metodi Street. Another unidentified hospital is situated in the in a building which formerly housed a German school, on Kiril i Metodi Street. A fourth hospital is located in a building which formerly housed the French College, behind the Chamber of Commerce.
10. City and suburban transit service is taken care of by eight buses, of "Skoda" manufacture, 4-5 years old, of which four have 70-80 places and four have 40-45 places. Bus service starts at 5:00 a.m. and ends at 1:30 a.m. Buses run about every ten minutes. Two of the buses mentioned above connect Burgas to Atanasovo and to Poda (sic).
11. Informant stated that he did not know of any planned construction or work in progress on subways or new transportation facilities.
12. The only civilian construction in progress is that of workers' houses. This is proceeding extremely slowly and every year (during the 7-8 months in which construction is possible) homes are built to the extent of not more than three percent of the actual need.
1.  Comment: Vasil Bogdanov was reported as first secretary of the okrug committee of Burgas, in "Rabotnicheskoe Delo" of 4 July 1952, as well as in all papers of 24 October 1953.
